

Navajo DOT Roads Condition Update

(10:30 AM 2.28.17)

Use caution on the roads today. Winter weather, including the full wintry mix of freezing rain, sleet, and snow, will continue throughout the day.

Be advised, operators may not clear certain dirt routes if the road is not stable (i.e. too muddy).

Chinle Agency

N 12 – Crews are blading the road. Last report indicated one-way traffic with several inches of wintry mix accumulation. One NDOT plow is working the Northside. NDOT is mobilizing more personnel to assist the removal. On the Southside, snow accumulation begins at Bowman Park and continues through the Ft. Defiance area.

N13 – Crews are assessing and clearing the route to the base of each side of Buffalo Pass. But the **PASS** is **CLOSED**.

N4 (Pinon) / N41 (Forest Lake) / N8066 (Black Mesa) / N65 / N251 – One crew is working through these routes throughout the day.

Ft. Defiance Agency

N28 (Oak Springs) – Boulder is obstructing most of the road.

N54 – Snow accumulation is 1.5 ft deep.

NM 134 – Navajo DOT crew is currently stuck on the summit. Another crew is mobilizing to dig out the stuck team and will blade the road on their approach and exit.

N15 (Dilkon to Greasewood & Greasewood to Burnside) – Two crews are working this route, one is patrolling, and another will be working on routes in the Dilkon area.

Northern Agency

N13 / N33 / N63 (Red Valley + Cove) – NDOT crews are clearing BIA routes off N13 and clearing N13 to the base.

Buffalo Pass - **Closed**

Western Agency

N59 (Navajo Mtn.) – One crew is clearing this route.

N16 and Tuba City – One crew is working assessing these routes.

N6430 (Oljato) – One crew is assessing and removing this route.
