PAVED ROADS WORKSHOP

WEDNESDAY MARCH 22, 2017

9:00 AM TO 3:00 PM

Navajo Transportation Complex, Tse Bonito, NM

Workshop on planning, designing, constructing and maintaining paved roads. Intended for planners, maintenance technicians, supervisors, engineers, procurement officials, managers and executives. Participants will receive information on what treatment strategies are the best in what conditions. Information will be provided on how to improve roads, roadway elements, pavement distresses, pavement conditions, treatments, pavement management systems, clearances and new pavements. This workshop is for those that have asked, "what is the best way to maintain paved roads?" Participants will be provided with simple tools to make decisions.

To register contact Jason Yazzie at Jason.yazzie@dibblecorp.com or (505) 371-8363

Snacks will be provided.

Lunch is on your own.
